

2.3.2 Teachers use ICT-enabled tools including online resources for effective teaching and learning

Our College encourages, intensive use of ICT enabled tools including online resources for effective teaching and learning process. Our faculty members are using ICT enabled tools to enhance the quality of teaching-learning such as:

- General ICT tools are using by our faculty members such as Desktop and laptops, Projector, Digital cameras, Printer, Photocopier, tablets, Pen Drive, Ipads, Scanners, Microphones, interactive white board, DVDs and CDs.
- Google classroom is used to manage and post course related materials, Lab manuals, Records, Assignments, Answer scripts and evaluation etc.
- Virtual labs are used to conduct labs through simulation.
- For the effectiveness of teaching-learning process classes are taken with PPT
- Students' feedbacks are collected through Google forms.
- To teach mathematical subjects in online mode, teachers have used various online tools like- whiteboard in Microsoft teams, Jam board in Google meet, etc.
- Class Committee meetings, Seminar, Workshop and Symposium are organized through online mode.
- Students are counseled with the help of Google Meet applications.
- Wide range of e-resources like DELNET, Digital library, e-journals, e-books, CD and DVD etc., by using library.
- Smart board is used by the faculty members effectively.
- Our Faculty members were trained for effective usage of ICT Tools. Training was given by Dr.M.Sakthivel, Associate Professor&Head, Department of Computer Science and Engineering on 21.12.2021 through online.
