III. MINUTES OF THE MEETING

The Convener of the Academic Steering Committee Dr.B.Sujatha welcomed all the members. Then the above said agenda point was taken up for the discussion and the following resolutions were passed by the members of Academic Steering Committee.

8.1 To discuss and approve for the advancement of courses for the eligible students those who are studying in third year under the Regulations 2019 as per clause 6.7

The Committee discussed the following points:

As per the provisions of Clause 6.7 of the Regulations 2019, students who have met the eligibility criteria specified in the regulations shall be permitted to enroll in advanced courses.

In addition, the students who have secured a CGPA of 7.50 and above at the end of Semester V for course advancement may be determined based on their academic performance, including completion of prerequisite courses. This shall be treated as a onetime measurement. The respective department heads, in consultation with the academic Steering Committee, will evaluate and approve the list of students eligible for this advancement.

The committee approved for the advancement of courses for the eligible students those who are studying in third year under the Regulations 2019 as a one-time measurement.

8.2 Approval for the students who have earned three credits through an online course and seeks to replace one Open Elective course, in accordance with Clause 4.7 of the UG Regulations 2019.

Clause 4.7 of UG Regulations 2019: Students may be permitted to earn credit of maximum two online courses (SWAYAM / NPTEL / MOOC) subject to a maximum of six credits, with the approval of the Head of the Department and Head of the Institution, in lieu of Open Elective / professional Elective.

Resolution: The committee verified the documents submitted by the student's online course completion. The course was aligned with academic standards, and the student met all eligibility requirements for the credit transfer. After thorough discussion, it was unanimously agreed to approve the credit transfer and allow the replacement of one Open Elective course with the online course.
