

LMS Training Programme Held on Campus

A training programme on Learning Management System (LMS) implementation was conducted at the college on February 7, 2026. The session focused on initial configuration areas essential at the start of the academic session. Participants were briefed on configuring direct and indirect assessment tools to integrate LMS with COE. Routine LMS and academic module operations were explained in a structured sequence. The programme was facilitated by Mr. Boopathy, Mr. Vijaykumar and Dr. M. S. Prabhu to ensure effective LMS utilisation across departments.

Women Empowerment Programme Held on Campus

The Women Empowerment Cell organised a programme titled SHE: Strength, Hope and Empowerment on February 6, 2026, with the objective of fostering gender equality and promoting women's rights. The programme also focused on encouraging leadership qualities and active participation among women students. Dr. V. Agalya, Professor and Associate Head (R&D), New Horizon College of Engineering, Bengaluru, served as the resource person and addressed the students on empowerment and professional growth. Girl students from various departments actively participated in the event. The programme was conducted under the guidance of Dr. K. Umadevi, Professor and Head of EEE, and G. Kavitha, Assistant Professor, EEE.

Honored to represent Sengunthar Engineering College at ISDCP 2026!

Dr. M Soundar Rajan, Assistant Professor of Civil Engineering, was recently honored with a Certificate of Appreciation for his scholarly contributions as a Reviewer. This recognition was awarded during the 2nd International Conference on Innovations in Sustainable and Digital Construction Practices (ISDCP) 2026.
