## WORLD ASTHMA DAY CELEBRATION – 2026

World Asthma Day was observed at Senghundhar College of Pharmacy, Tiruchengode, Namakkal District, on 07.05.2026. The programme was organized by the Department of Pharmacy Practice as a part of community outreach and public health awareness activities.

The event was conducted under the guidance of the Secretary & Correspondent, Prof. A. Baladandapani, M.A., M.Phil., and in the presence of the Principal of the college, Prof. Dr. M. Surendra Kumar, M.Pharm., Ph.D., MBA., He motivated and appreciated the students for their active involvement in public health awareness programme.

The programme focused on creating awareness among the public regarding asthma prevention, respiratory care, early diagnosis, and proper management of asthma. Faculty members and students actively participated in educating the public about the causes, symptoms, triggers, and preventive measures of asthma.

As part of the programme, a Medical Camp was organized at Senghundhar Institutions Bus Stop. Basic health screening services such as blood pressure monitoring, pulse rate assessment, oxygen saturation measurement, and general health counselling were provided to the public. Demonstrations regarding proper inhaler usage and breathing care techniques were also explained by the students and faculty members.

During the awareness programme, the importance of avoiding allergens, maintaining environmental cleanliness, following regular medication and seeking timely medical consultation for asthma management was emphasized.

The public actively participated in the camp and benefited from the health awareness activities and counselling services provided during the event. The programme also served as a valuable opportunity for pharmacy students to enhance their communication skills, practical knowledge, and social responsibility.

The management, faculty members, and students appreciated the successful conduct of the programme and its contribution towards promoting awareness on respiratory health among the community.
