

**EEE HoD Receives Technology Excellence Award**

Dr. K. Umadevi, Head of the Department of Electrical and Electronics Engineering, has been honoured with the *Excellence in Technology Adoption Award* by ARK Info Solutions Private Limited. The award acknowledges her leadership and significant contributions in integrating MATLAB and Simulink into the teaching-learning process, enhancing the department's technological capabilities and academic innovation.

ECE Faculty Attends NCC ANO Conference

Dr. M. Arun Kumar, Assistant Professor of ECE and ANO of the NCC Army Wing, attended the ANO Conference organised by the 12 Battalion, Salem. The meeting focused on NCC activities, procedures for B and C certificates, and the revised syllabus for cadets admitted in the 2025–26 academic year. A total of 41 institutions under the 12 Battalion participated in the conference.

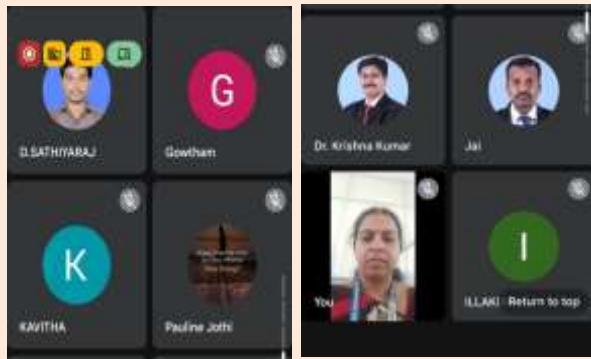

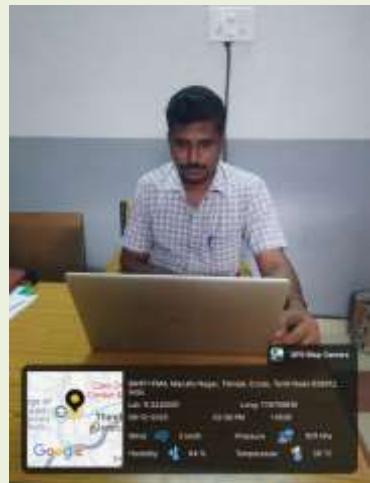

Research Scholar Presents AI-Based Power Study

The Department of Electrical and Electronics Engineering conducted its annual Doctoral Committee meeting on December 9, 2025. During the session, research scholar Mrs. R. Gohila, Assistant Professor of EEE, presented her research work titled *“Artificial Intelligence-Based Power Quality Enhancement in Hybrid Renewable Energy-Based Microgrid.”*

The review was held under the supervision of Dr. P. Veena, Professor and Director of IQAC, at K.S.R. College of Engineering, Tiruchengode. The meeting offered academic guidance for the progress of the research.

Research Scholar Presents Study on BLDC Drives

The Department of Electrical and Electronics Engineering conducted its annual Doctoral Committee meeting on December 9, 2025. Research scholar Mr. V. Nanthakumar presented his work titled *“Certain Investigations on Sensorless Approach to Improve the Performance of Brushless DC Motor Drives.”* The review was held under the supervision of Dr. K. Vanchinathan, Associate Professor of EEE, at Velalar College of Engineering and Technology. The meeting provided academic inputs for the further advancement of the research work.

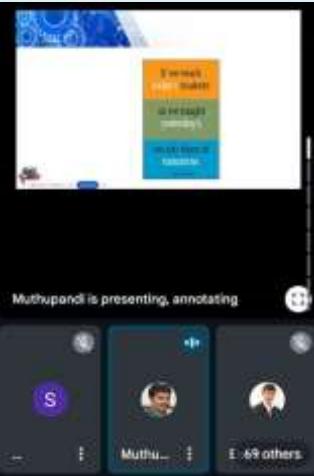

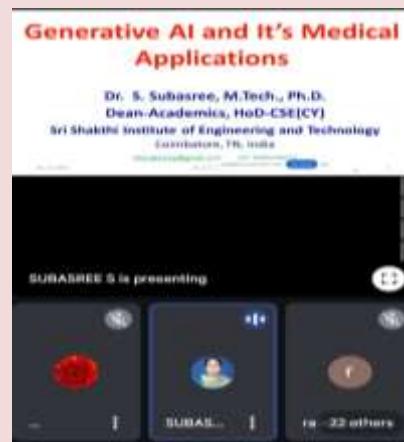

ECE Faculty Continue NEP Orientation Training

Dr. C. Aarthi, Head of the Department of ECE, along with faculty members Mr. M. Baskaran and Mrs. D. Ramya, participated in Day 2 of the 33rd NEP Orientation and Sensitization Programme. The online programme, held from December 8 to 17, 2025, was organised by the Malaviya Mission Teacher Training Centre at Coimbatore Institute of Technology, Coimbatore.

Faculty member Attends FDP on Generative AI

Kavitha V, Assistant Professor in the Department of Medical Electronics, attended the second day of the Faculty Development Programme on “Generative AI and Its Medical Applications.” The session was presented by Dr. S. Subasree from Sri Shakthi Institute of Engineering and Technology, offering insights into emerging AI technologies in the healthcare sector.

**MDE Faculty Join NEP Orientation Programme**

Mr. G. Syed Zabiyullah, Mrs. R. Reshma and Mr. M. Gowtham, Assistant Professors in the Medical Electronics Department, participated in Day 2 of the 33rd NEP Orientation and Sensitization Programme. The programme, conducted online from December 8 to 17, 2025, is organised by the Malaviya Mission Teacher Training Centre at Coimbatore Institute of Technology, Coimbatore.

Faculty Members Attend NEP Orientation Programme

Faculty members from the Departments of Information Technology and Robotics & Automation participated in Day 2 of the 33rd NEP Orientation and Sensitization Programme conducted online by the Malaviya Mission Teacher Training Centre, Coimbatore Institute of Technology, from December 8 to 17, 2025. The participants included Mrs. V. Mahalakshmi and Mrs. R. Menagadevi from IT, along with Mr. A. Senthilkumar, Head of the Department, Mr. P. Naveenkumar, Mrs. C. Kalpana and Mrs. M. E. Dhivya from Robotics & Automation.

STUDENTS CORNER

Dept of ECE

Fifteen ECE Students Join Mitsuba India

Fifteen final-year students from the Department of ECE have joined Mitsuba India Private Limited, Chennai.

The selected students are M. Deepika, V. Dhanusha, A. Jayasri, P. Monika, D. Sasipriya, S. Priyanka, G. Logamuki, R. Santhiya, S. Athiraman, K. Gowtham, D. Guna, S. Santhosh, K. Logesh, R. Dhinesh and R. Kubendiran.

Their placement marks a significant milestone as they begin their professional journey in the engineering industry.

MDE Student Tops TN Skills Competition

Mahalakshmi K, a final-year student of Medical Electronics, has secured the first rank in the Tamil Nadu Skills Level 2 Competition 2025 under the Aircraft Maintenance category. The event, conducted in partnership with Harpy Aerospace, took place on December 6, 2025, at the Aerospace Hangar, Department of Aerospace Engineering, SRM Institute of Science and Technology, Kattankulathur. Her achievement reflects exceptional technical competence and excellence in a highly competitive domain.

Dept of CIVIL

Department of Civil Engineering, in Final year 6 students went to internship of 3 months in EKK Infrastructure Limited, Ernakulam, Kerala

Dept of MECH

Mechanical Students Placed at Mitsuba India

Final-year students from the Department of Mechanical Engineering have secured placements at Mitsuba India Private Limited, The selected candidates are Ganesh Kumar, Sandeep Kumar and Abhishek Kumar.

நுவலீதமிழ் மன்றம் - தினம் ஒரு திருக்குறள்

குறள் 677:

செய்வினை செய்வான் செயன்முறை அவ்வினை உள்ளறிவான் உள்ளம் கொளல்.

விளக்கம்:

ஒரு செயலில் ஈ.டுபடுகிறவன், அச்செயல் குறித்து முழுமையாக உணர்ந்தவனின் கருத்தினை முதலில் அறிந்து கொள்ள வேண்டும்.

இலக்கணக் குறிப்பறிதல்

➤ எச்சம்

முற்றுப் பெறாமல் எஞ்சி நிற்கும் வினை, எச்ச வினை எனப்படும்.

தமிழன் வந்து போனான்.

மரத்திலிருந்து உதிர்ந்த பழம்.

இந்தத் தொடர்களில் உள்ள 'வந்து' என்ற வினையும் 'உதிர்ந்த' என்ற வினையும் முற்றுப் பெறாமல் உள்ளன. எனவே இவை எச்ச வினை எனப்படும். எச்ச வினை பெயரைக் கொண்டும் முடியும்; வினையைக் கொண்டும் முடியும்.

பிறமொழிக்கு இணையான தமிழ்ச் சொற்கள்

பிறமொழி: ஆயுள்

தமிழ்மொழி : வாழ்நாள்
