

World Kidney Day Awareness Lecture Held at Sengunthar Engineering College

The Department of Medical Electronics of Sengunthar Engineering College organized a special lecture on “Kidney Health Awareness and Prevention” on the occasion of World Kidney Day through its Health Auditor Club. The programme was held at the Placement Seminar Hall at 10:30 a.m. Dr. R. Satish Kumar, Principal of Sengunthar Engineering College, served as the resource person and delivered a special lecture highlighting the importance of kidney health, preventive measures, and healthy lifestyle practices. Students and faculty members actively participated in the programme and gained awareness about maintaining kidney health and preventing kidney-related diseases.

10th Board of Studies (BoS) Meeting of the Faculty of Mechanical Engineering (Mechanical and Robotics & Automation), held at IQAC on 13.03.2026

On behalf of Ramanujan Mathematics club a special academic program on the “Application of Pi in Engineering” was conducted today to mark the importance of the mathematical constant π (pi) in modern engineering fields by Dr.S.Vidhyanandhini Mam, AP/Mathematics , College of Engineering and Technology,SRM IST, Kattankuluthur. The event aimed to create awareness among students about how this fundamental mathematical concept plays a vital role in various branches of engineering and technology. Also explained about the uses of π in real-world engineering projects. She encouraged the students to explore mathematics beyond textbooks and apply it creatively in engineering solutions.

SENGUNTHAR Daily News

13-03-2026/SEC/DN/377

The Department of Civil Engineering at Sengunthar Engineering College successfully conducted its 10th Board of Studies (BoS) meeting on March 06, 2026. The meeting focused on reviewing and refining the academic curriculum in alignment with recent technological advancements, current industry requirements, and regulatory norms. Academic experts, industry representatives, and faculty members actively participated in the deliberations and provided valuable suggestions to enhance the course structure, learning outcomes, and employability skills of students.

Dr. M. SUNDAR RAJAN, Assistant Professor in the Department of Civil Engineering at Sengunthar Engineering College, has successfully completed a Six-Day Faculty Development Program on "Techniques for Sustainable and Low-Carbon Construction." The program, hosted by A.K.T Memorial College of Engineering & Technology, focused on critical advancements in green building and sustainable engineering.

STUDENTS CORNER

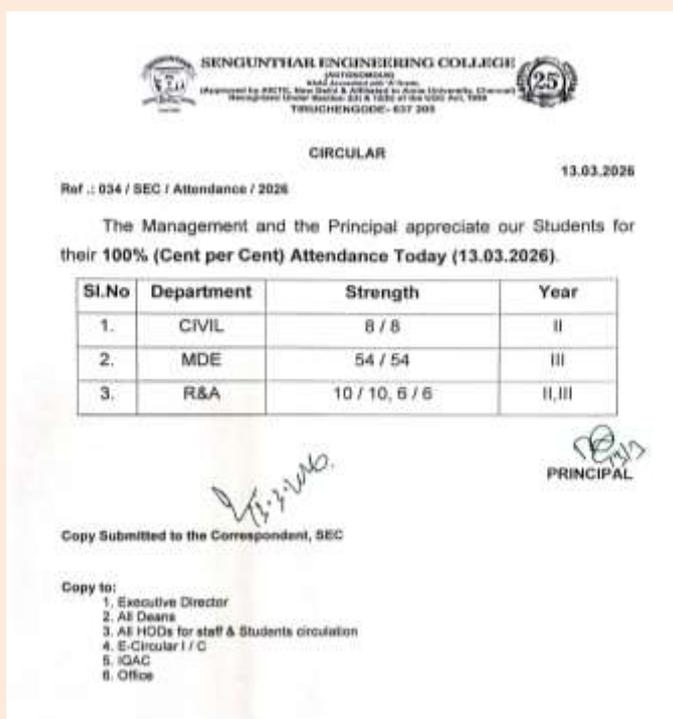

Department of Civil, ECE, MDE and R&A III year 106 students and 6 Faculty members visited "One Day Industrial Visit at Flytutor Technologies Pvt Ltd, Manickampalayam, Namakkal (DT) on 13.03.2026. During this industrial visit to Flytutor, observed how they are pioneering the future of UAV education by bridging the gap between advanced aerial technology and accessible training. The facility showcases a robust curriculum designed by aviation experts that integrates cutting-edge theoretical knowledge with intensive hands-on flight experience. The visit highlighted their commitment to workforce development, offering specialized tracks in professional drone operations, high-end aerial photography, and technical UAV innovation. By utilizing state-of-the-art equipment, Flytutor effectively prepares aspiring pilots for the rigorous demands of the modern aerospace industry. This experience underscored the critical role of structured certification in the rapidly evolving global semiconductor and embedded drone sectors

Department of EEE

Mr. M. Thamarai Kannan has successfully completed the 30 Days MasterClass in Artificial Intelligence January 30th to March 01st 2026 conducted by NoviTech R&D Private Limited. He Gained practical knowledge of Artificial Intelligence concepts, tools, and applications with hands-on experience in developing basic AI models and solving real-world problems. This masterclass enhanced technical knowledge and increased awareness of how Artificial Intelligence can be applied in various fields such as automation, smart systems, and data-driven decision making.

நுவலிதமிழ் மன்றம் - தினம் ஒரு திருக்குறள்

குறள்:738

பிணியின்மை செல்வம் விளைவின்பம் ஏமம்
அணியென்ப நாட்டிவ் வைந்து.

விளக்கம்:

மக்களுக்கு நோயற்ற வாழ்வு, விளைச்சல் மிகுதி,
பொருளாதார வளம், இன்ப நிலை, உரிய பாதுகாப்பு ஆகிய
ஐந்தும் ஒரு நாட்டுக்கு அழகு எனக் கூறப்படுபவைகளாகும்

இலக்கணக் குறிப்பறிதல்

உடன்பாட்டுவினைத் தொடர்

ஒரு செயல் அல்லது தொழில் நிகழ்வதைக் குறிப்பது உடன்பாட்டுத் தொடர் எனப்படும்.

எடுத்துக்காட்டு

- மழை பெய்ததால் பயிர் விளைந்தது.
- படித்ததால் தேர்ச்சி பெற்றான்.
- பயிற்சியால் வெற்றி பெற்றான்.
- அறத்தால் உயர்ந்தான்.
