

Achievement in Inter-Company Basketball Championship

Dr. M. Arunkumar, Assistant Professor of ECE, who is currently undergoing training in the PRCN Course 2026 at Kamptee, represented Rana Pratap Company in the Inter-Company Basketball Championship. The championship featured three companies—Rana Pratap, Arjun, and Sivaji—with a total of six teams competing across two streams: Stream A and Stream B. Demonstrating outstanding teamwork, dedication, and sportsmanship, Rana Pratap Company, with Dr. M. Arunkumar as a participant, secured Gold Medals in both Stream A and Stream B, winning two Gold medals in Basketball. This remarkable achievement marks a historic milestone, as it is the first time in history that Rana Pratap Company has secured all four Gold Medals in both Volleyball and Basketball championships. The accomplishment highlights the exceptional performance, unity, and competitive spirit of the Rana Pratap Company teams. Rana Pratap Company proudly holds all four Gold Medals in Volleyball and Basketball, setting a new benchmark in the history of the championship.

Higher Education Awareness Program for Medical Electronics Students

A Higher Education Awareness Program was conducted for Medical Electronics students by Sayed Osama, Director of Vission Gray Matter. He guided students about higher education opportunities, study abroad options, and scholarships. The session helped students gain better awareness about their future academic pathways.
