

## STUDENTS CORNER

Third year Students B.Tech AI & DS from Sengunthar Engineering College won "Second Position" in Design Craft Event at DHRUVA 2026, held at Karpagam College of Engineering, Coimbatore on 13.03.2026

Congratulations to  
\* Samuel S  
\* Kavidhai Arasu S  
Great achievement! Keep shining

Third year Students B.Tech AI & DS from Sengunthar Engineering College won "Third Position" in Paper Presentation Event at DHRUVA 2026, held at Karpagam College of Engineering, Coimbatore on 13.03.2026

Congratulations to  
\* Samuel S  
\* Kavidhai Arasu S  
Great achievement! Keep shining

Second year Students B.Tech AI & DS from Sengunthar Engineering College won "Third Position" in Cipher Strom Event at DHRUVA 2026, held at Karpagam College of Engineering, Coimbatore on 13.03.2026

Congratulations to  
\* Keerthana R  
\* Sumithra G  
Great achievement! Keep shining

## நுவலிதமிழ் மன்றம் - தினம் ஒரு திருக்குறள்

குறள்:741

ஆற்று பவர்க்கும் அரண்பொருள் அஞ்சித்தற்  
போற்று பவர்க்கும் பொருள்.

தமிழ்மொழி : நன்றி

## International Women's Day Celebration – 2026 at Senghundhar College of Pharmacy (13.03.2026)

International Women's Day was celebrated in a grand manner at Senghundhar College of Pharmacy located in Tiruchengode, Namakkal District. The event was presided over by the Chairman of Senghundhar Charitable Trust, Mr. T.S. Natarajan, who delivered the presidential address. The program began with a welcome address by the Principal of the college, Dr. M. Surendra Kumar, M.Pharm., Ph.D. secretary and Correspondent of the college, Prof. A. Baladhandapani, M.A., M.Phil. highlighted the importance of recognizing women's social, economic, and cultural achievements, promoting gender equality, and celebrating the contributions of women in various fields. The special guest for the event was Drugs Inspector S. Pavithra, M.Pharm., Tirunelveli. During her speech, the Chief Guest spoke about International Women's Day 2026 theme "Give to Gain." She explained that when women contribute their knowledge, talents, and service to society, they gain progress, recognition, and equality in return. She also encouraged the students to work with confidence in education, profession, and social development and to play an important role in the progress of society. The event was also attended by the Treasurer Mr. M.K. Thanasekaran and the Executive director Er. Aravind Thirunavukkarasu, M.E., M.C.A., As a part of the celebration, various competitions were conducted for students and faculty members. Both students and faculty actively participated and made the event successful. Prizes were awarded to the winners of the competitions.

## GUEST LECTURE ON AI IN DRUG DISCOVERY AT SENGHUNDHAR COLLEGE OF PHARMACY

A guest lecture on “From Data to Drug Therapy: AI-Driven Insights in Drug Discovery” was conducted successfully on 17<sup>th</sup> March 2026 at Senghundhar College of Pharmacy, Tiruchengode, Namakkal District.

The session was presided over by the Chairman, Mr. T.S. Natarajan, who emphasized the importance of modern technologies in pharmaceutical education. The Principal, Dr. M. Surendra Kumar, welcomed the gathering and highlighted the value of such academic initiatives.

The Secretary and Correspondent, Prof. A. Baladhandapani, encouraged students to stay updated with emerging trends in pharmaceutical sciences and research.

The Chief Guest, Dr. Arunkumar Subramanian, delivered a highly informative and engaging lecture on the role of Artificial Intelligence in drug discovery. He elaborated on how AI, machine learning and big data analytics are revolutionizing the pharmaceutical industry by accelerating the drug discovery process, improving precision and reducing the time and cost involved in research and development. He explained real-time applications of AI in target identification, drug design and clinical trials. He also highlighted the growing demand for interdisciplinary knowledge combining pharmacy and technology. Furthermore, he encouraged students to develop skills in AI-based tools and motivated them to actively participate in innovative research to meet future healthcare challenges.

The event was graced by the presence of Mr. M.K. Thanasekaran (Treasurer) and Er. Aravind Thirunavukkarasu (Executive Director). The lecture was highly informative and beneficial to both students and faculty members. The session proved to be highly helpful for students in gaining practical knowledge and understanding the future scope of AI in drug discovery.

## SENGUNTHAR COLLEGE OF NURSING.

Our third-year B.Sc.(N) students (2023-2027 batch) held a "National Immunization Day" at the Primary Health Centre, Thimmaravuthampatti on March 17, 2026. The theme for the day is "Immunization for All is Humanly Possible." To raise awareness of immunization schedules among antenatal mothers. Throughout the drama, our students discussed the benefits of immunization as well as the complications.
