

Voter Enrollment Camp Conducted at Sengunthar Educational Institutions

A Voter Enrollment Camp for students of all departments was successfully conducted at Sengunthar Educational Institutions on December 19, 2025. The programme aimed at facilitating the inclusion of eligible students' names in the electoral roll.

Students who will be voting for the first time actively participated in the camp and enthusiastically completed the voter registration forms. Through this initiative, the students expressed their commitment to fulfilling their democratic responsibility and their readiness to exercise their right to vote in the forthcoming 2026 Legislative Assembly Elections.

The event witnessed encouraging participation and highlighted the institution's continued efforts to promote civic awareness and democratic values among the youth.

Faculty Attend AI Refresher Course

On the (eleventh) day of the refresher course on “*AI for Modern Engineering*” held at Coimbatore Institute of Technology (CIT), Coimbatore, faculty members G. Ashish, Assistant Professor, IT, and N. Sathyaraj, Assistant Professor, Robotics and Automation, participated in the programme. The course continues to focus on enhancing faculty expertise in artificial intelligence applications relevant to modern engineering practices.

The Department of Civil Engineering successfully conducted the Program Advisory Committee (PAC) meeting with active participation from academicians. The committee reviewed the curriculum, academic performance, and ongoing activities of the department. Valuable suggestions were provided to enhance industry relevance and outcome-based education. The PAC emphasized skill development, internships, and emerging technologies in civil engineering.
